To Whom It May Concern:

I am the CEO of the Venice Beach BID. I requested an activation code on October 16, 2017 and again earlier this month, and have not received anything to date. I need this code in order to setup our account and file a report that is now overdue.

Our City Contract # is:
C-129375

Related CF:
16-0749

Can you please assist me with obtaining access to our LAVSS account?

Thank you.

Warmest regards,
Tara Devine
CEO
